RE: Resource Conservation and
Recovery Act Compliance Inspection
EPA I.D. # C00075770560

Dear Mr. Zenger:

This letter is a follow-up to the inspection performed at Van Waters and Rogers on April 10, 1984, to determine compliance with the regulations pertaining to the management of hazardous wastes.

Because the portion of your facility observed by the inspectors during this inspection appeared to be in compliance with RCRA regulations, EPA does not plan to take any further action as a result of this inspection.

Please be aware, however, that you are responsible for remaining in compliance with RCRA and other applicable Federal regulations relating to your activities, and that this letter does not constitute a bar to enforcement action as a result of conditions which the inspectors did not observe, or conditions found during future inspections of your facility.

Your cooperation in this inspection effort is appreciated. If you should have any questions, please contact Marcella DeVargas at (303) 844-2468.

Sincerely yours,

Ronald E. Gregg, Chief
RCRA Compliance Monitoring Section
